BROOKLANDS SIPP INFORMATION-ONLY ADVISER SET UP (JURISDICTION)

Member Name

Declaration and Signature

I confirm that I am aware that my adviser is not licensed in my current country of residence. I wish for the adviser firm detailed below to continue to have information rights to my pension fund. I have entered into this agreement on an informed basis after carrying out my own research.

I understand that as this is an information only arrangement between myself and my adviser, that all requests for amendments of any kind to my pension will come directly from me on an execution only basis, including any fund or investment changes.

I understand that no fees can be paid from my investment portfolio and any fees I authorise to be paid from my SIPP Bank Account can only be for administration services, and you must receive an invoice from the Adviser Firm for any administration services.

I therefore understand that both Heritage Pensions Limited and IVCM Heritage Trustees Limited are not responsible for the decision to undertake this transaction. I also understand that neither Heritage Pensions Limited nor IVCM Heritage Trustees Limited provide any financial advice whatsoever.

I confirm I have read and understood the Terms & Conditions for the Brooklands SIPP prior to signing this declaration and that I have had the opportunity to ask any questions related to the transaction.

I am aware that neither Heritage Pensions Limited nor IVCM Heritage Trustees Limited will be liable for any rights to redress relating to my decision to appoint an information only based adviser firm.

I understand that I have no recourse to complain to any regulatory body or ombudsman either in my country of residence or in the jurisdictions the adviser firm is based in.
