5 Adviser Charges Agreement

I agree and understand that if, subject to the terms of this application, an adviser charge is stopped, unpaid or is re-credited to my plan, I may remain financially liable to reimburse my Financial Adviser for their services provided to me. I understand that I should check the terms of my agreement or arrangement with my Financial Adviser where applicable.

I understand that PSG SIPP Limited will only accept instructions from me to facilitate the payment of adviser charges to my Financial Adviser by using this form.

I understand that PSG SIPP Limited will only pay the charge if there are sufficient funds in my SIPP's bank account and that this may mean payments can be delayed until there's enough money in the account to support the payment of the charge.

I confirm my agreement to these adviser charges and hereby authorise and request you pay them from my SIPP bank account until otherwise instructed. I confirm that these charges are solely related to advice or services given in relation to my SIPP.

I understand that I can arrange for my adviser charges to be paid with or without VAT. I agree that PSG SIPP Limited and any of its representatives cannot provide any advice as to whether or not VAT should be added to my adviser charges.

Please pay my Financial Adviser's adviser charges from my SIPP's bank account. I have agreed the following basis of remuneration (the amounts below are exclusive of VAT).

Annual adviser charge

£

or

% of fund (max 1%)

NOTES ON ONGOING ADVISER CHARGE:

Where the charge is in relation to a new contribution it will be deducted from any net single contribution before the value of any tax reclaim is added but will be calculated based on the gross amount of the single contribution.

These are the payments agreed with the Financial Adviser for the provision of ongoing advice and services to me by my Financial Adviser. Payment of ongoing adviser charges is on a defined regular basis (i.e. annual). If I select to pay ongoing adviser charges as a percentage, I understand

that this percentage is based on the total value of my plan including any existing assets. I understand that a material change in the value of my plan will correspond to a material change in the amount of ongoing adviser charges deducted.

I understand that only one arrangement for the payment of ongoing adviser charges can be set up at any one time for any one SIPP and consent that any ongoing adviser charges in respect of my SIPP will be deducted from the total value of my SIPP or as instructed.

6 Member Declaration

Where appropriate, I confirm that I have appointed the Financial Adviser named in section 3 of this document to act as my agent and confirm that PSG SIPP Limited can act on the authority granted in accordance with section 4 of this document.

Where I have requested the removal of my Financial Adviser I am required to notify PSG SIPP Limited of their replacement. I understand that

PSG SIPP Limited reserve the right to refuse to perform some actions on my SIPP if I don't have an appointed adviser.

I hereby instruct PSG SIPP Limited to pay the adviser charges on the basis set within this form. I confirm that where a new Financial Adviser is appointed, I understand that the above instructions will replace any existing instructions in their entirety.
