IMPORTANT Have you already 'flexi-accessed' your pension rights? Yes No

The amount of contributions you can make may be restricted if you have 'flexi-accessed' your pension rights. If you are unsure as to the circumstances that will limit the level of contributions that you can make, please refer to the Important Notes at the end of this form.

2 Personal Contributions

Please complete this section if you will be making a personal contribution(s). If you have benefits which are subject to enhanced or fixed protection, any protection will be lost if a further contribution is paid by/for you.

Tax relief can be claimed on contributions made before age 75 and provided you satisfy at least one of the following:

- (i) You are resident in the UK for tax purposes;
- (ii) You are in receipt of earnings which are chargeable to UK income tax;
- (iii) You or your spouse/civil partner are a Crown Servant employed overseas.

The receipt of any basic rate tax relief due can take up to 11 weeks to claim after payment. Tax relief above the basic rate of tax should be reclaimed via your annual self-assessment tax return.

Please ensure you seek advice from a suitably qualified professional before making contributions into your SIPP.

If your employer will be making contributions please arrange for Section 3 to be completed by your employer.

IMPORTANT NOTES

Please read these notes carefully. It is really important that you understand whether or not you have 'flexi-accessed' your pension rights, as doing so limits the contributions you can make to £4,000 per tax year (Referred to by HMRC as the 'money purchase annual allowance rules').

If you are still unsure after reading these notes please refer to your Financial Adviser.

The money purchase annual allowance rules will apply if one of the following occurs in a tax year, on or after 6 April 2015:

- You have drawdown funds from a 'flexi-access' drawdown fund.
- You have received an 'uncrystallised funds pension lump sum'.
- You notified your scheme administrator that you wished to convert your pre 6 April 2015 'drawdown pension' fund to a 'flexi-access' drawdown fund and you subsequently drawdown from that fund.
- You have taken more than the permitted maximum for 'capped drawdown' from a pre 6 April 2015 drawdown pension fund.
- You have received a stand-alone lump sum and you are entitled to primary protection with a greater than £375,000 protected tax free lump sum.
- You have received a payment from a life time annuity where the annual rate of payment can be decreased other than in permitted circumstances.
- You have received a payment of a scheme pension from a money purchase arrangement where the arrangement is providing scheme pensions to less than 12 Members, including dependant's, at the time the first payment is made to you.

The money purchase annual allowance rules will not apply if one of the following occurs.

- You have received a pension commencement lump sum (tax free cash).
- You have received a trivial commutation lump sum.
- You have received a small pots lump sum.
- You are in receipt of a scheme pension from a defined benefits arrangement, or from a money purchase arrangement where at least 12 people are receiving a scheme pension.
- You are in receipt of a lifetime annuity that can't go down except in prescribed circumstances.
- After 6 April 2015, you take no more than the permitted maximum capped drawdown from a pre-6 April 2015 drawdown pension fund.
