PSG SIPP Limited is authorised and regulated by the Financial Conduct Authority with registration number 514654.

PSG SIPP Limited is a wholly owned subsidiary of Basi and Basi Financial Planning Limited.

This purpose of this form is to confirm the potential charges and early exit penalties that apply to the investment held by you within your International Expat SIPP, and consequently what the final surrender value is likely to be.

PSG SIPP Limited is a regulated SIPP provider by the Financial Conduct Authority (FCA) and believes it is important that you are aware of and understand the impact of your decision to surrender a particular investment.

There may be many benefits moving forward, however this must be weighed against the potential for financial penalty on exiting a long-term investment strategy. Pension investments

are generally expected to be part of a medium to long term strategy although we acknowledge circumstances and goals change. This meets the FCA criteria in Treating Customers Fairly (TCF) Outcome 3 which states: Consumers are provided with clear information and are kept appropriately informed before, during and after the point of sale.

IMPORTANT NOTICE

International SIPP Trustees Limited and PSG SIPP Limited do not provide advice and are unable to comment on the merits of retaining or surrendering an investment. Therefore, you may wish to take the appropriate regulatory financial advice before proceeding.
