2 Transferring Investments

How is the transfer to be made?

Please sell all my investments listed in section 4 then transfer in cash

Please transfer all my investments in-specie

Please sell the investments listed in section 4 then transfer in cash

Transfer the remaining investments in-specie

- Please refer to the Fees & Charges Schedule to understand the costs and charges to help you with your decision making.
- For in-specie (and sometimes cash) there may be other charges from the investment provider and/or receiving scheme.
- There is considerable amount of work for an in-specie transfer and typically this does take longer than a cash transfer and the cost associated is higher.
- Any cash from the sale of investments will remain in the SIPP bank account accruing interest until all investments have transferred in-specie. Once the transfer in-specie is complete the cash will be paid to the receiving scheme.
- If you have any queries with the surrender charges you should contact your financial adviser or the investment provider.

5 Member Declaration

I confirm that to the best of my knowledge and belief the particulars given on this form are correct and complete. I understand that it is an offence to make false statements and that the penalties are severe and could lead to prosecution.

I declare I am the person named above and I am legally entitled to give instructions to PSG SIPP Limited in respect of this SIPP.

I hereby grant consent to PSG SIPP Limited to contact HMRC to verify the registered scheme status for the receipt of my pension fund.

I am or will be a Member of the receiving scheme which is able to accept the cash equivalent on my behalf.

I have received a statement from the receiving scheme showing the benefits to be awarded in respect of the transfer payment.

I hereby authorise PSG SIPP Limited to release details about the transfer from this SIPP and the subsequent application of benefits to the receiving scheme.

I acknowledge that on payment of the transfer value to the receiving scheme I will cease to have any rights to benefits under this scheme in respect of any transferred benefits and PSG SIPP Limited will be fully discharged from any obligation to provide benefits in respect of those rights.

Pension transfers are undertaken on the transferor's understanding that the transfer value (money representing the Member's pension rights) will be used only to provide the Member with pension benefits in retirement (for example, providing a tax free lump sum and a regular income or annuity).

I fully appreciate that early access to my pension prior to the minimum retirement age of 55 may be subject to unauthorised payment charges from HMRC.

I accept that the proceeds once discharged from PSG SIPP Limited will not be used for pension 'liberation' (cash back/loan whether directly or indirectly) as deemed by HMRC. A warning against early release of pension has been published by the Pensions Regulator and you can read this information at www.pensionsregulator.gov.uk/press/pn12-05.aspx

A pension transfer is a Benefit Crystallisation Event (BCE) for the purposes of HMRC reporting and may be a chargeable event. This means that if your total pension benefits (including amounts from other pension arrangements) are more than your Lifetime Allowance (LTA) you could have to pay tax. If you tell us the total value of your pension benefits is more than the LTA at the point of transfer then we will advise you accordingly before settling the transfer.

I have read, accept and understand PSG SIPP Limited transfer out charging structure and all fees shall be paid before the transfer has taken place.

I confirm that I am not bankrupt.

I declare there is no Court Order in force affecting the SIPP or the arrangements being used in respect of the transfer.

I hereby authorise and request PSG SIPP Limited to close my SIPP or arrangements under the SIPP as specified and apply the proceeds as a transfer to the receiving scheme.

I confirm that the above statements are true and complete.

I confirm that the assets to be transferred, as listed in 4 Assets to be Transferred In-Specie, are acceptable to the scheme and that they will be transferred to the following Trustee.
