Request for Transfer of UK Relevant Funds

This form allows us to collect the necessary due diligence in accordance with guidance by HMRC in the UK and under the regulations of the Finance Act 2004 (as amended) so that we can consider your application for transfers of UK tax relieved pension funds.

This form is designed to allow us to ensure that your Overseas Pension Scheme is truly recognised and qualifying and is able to accept UK tax relieved pension funds without incurring potential Scheme Sanction Charges or Member Payment Charges. This form has been created in response to the responsibilities given to transferring scheme administrators in the guidance note APSS SA.

Please ensure this form is completed in full, as failure to complete any part of it may result in either delays in approving yourselves as able to receive the pension funds from a UK registered pension scheme, or not being able to remit the funds at all.

Please indicate on the last page that all documentary evidence, as requested throughout the form, has been enclosed.

Please ensure that the form is signed by a person with adequate authority and permission to be able to undertake this agreement for and on behalf of the provider.
